Affiliated with

- Center for High Performance Simulations (CHiPS)
- Center for Embedded Systems Research (CESR)
- Oak Ridge National Laboratory (ORNL)

Faculty

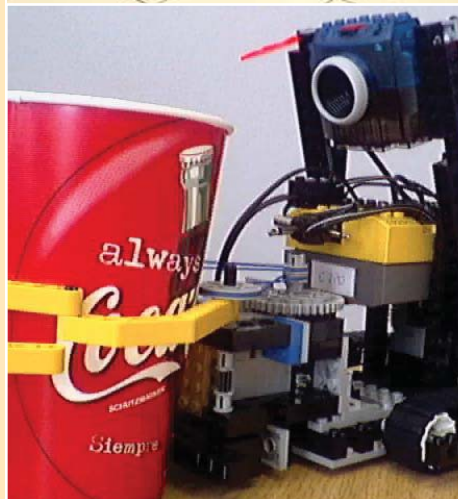

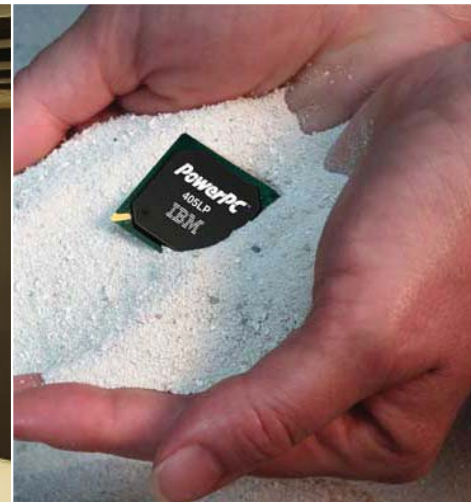

- Frank Mueller
- Vincent Freeh
- Xiaosong Ma
- Jun Xu

For More Information:

Frank Mueller
(919) 515-7889

3266 Engineering Building II
890 Oval Drive
Raleigh, NC 27695-8206

<http://systems.csc.ncsu.edu/>

Systems Research Lab Focus:

- High-performance computing
- Power-aware computing
- Parallel I/O and storage
- System security and dependability
- Real-time/embedded systems
- Code optimization
- Scientific data management
- Biologically inspired computing
