To receive Credit by Examination for CSC236 you must score at least 80% on the exam.

Procedure
1. You have one chance to take the exam.
2. When you are ready to begin, contact the Undergraduate Advisor’s Office. You will receive access to the required resources:
   - CSC236 Class Notes which is a technical reference.
   - Six old exams: midterm1 x2; midterm2 x2; final x2.
   - To prepare for the Place-Out Exam you should study the six exams provided.
   - Work until you can achieve a grade of 80 or higher on those old tests.
3. Contact Freeh to schedule the Place-Out Exam which has approximately 60 multiple choice questions. The exam will be administered via online Moodle Quiz.
4. The time limit is 3 hours.
5. The test is open book.
6. You may use any printed material (books, notes, old tests).
7. You may use a computer to access the class notes or other reference material.
8. You may not use any form of calculator.
9. If your grade on the exam is ≥ 80 then you will receive CR which is Credit by Examination.
