

# RECRUITING EVENTS & ENGAGEMENT OPPORTUNITIES

for Computer Science ePartners & Super ePartners

## TechTalks

Hosted by ACM/AITP, this series features talks on technical topics by industry leaders. To be considered, provide a speaker name, bio, talk title and abstract [online](#). There are 3 talks/semester, with no company repeats allowed within a calendar year.

## Grad Intro Class

Speak to ~200 incoming CSC grad students, live or via video feed, about your hiring needs & processes, culture, special programs; It's your 50 minute infomercial! Nine dates available starting 9/25. Super ePartners have priority. Request your date now!

## Info Sessions & Unique Events

No need to wait till the semester begins; we have dedicated rooms/spaces and can help you schedule info sessions, atrium events and other special events now. Work with our staff to identify new and exciting ways to engage students!

## ePartners Career Connection

This annual event, held exclusively for ePartner companies and CSC students will be held on **Sept 28 - 12-4 PM in the Hunt Library's Multi-purpose Room and in 3001/3002 EB2.**

Each participating company will be provided one 6 ft table w/ drape. Plan to arrive by 11:30 am for set-up. Special hospitality rooms with catered lunch and refreshments will be available to recruiters starting at 11 AM. To register your company's intentions to participate, **please reply to Ken Tate with the total number of recruiters you plan to bring, by July 31st.** Logistical details will be sent out in August. For more information or to become an ePartner, contact Ken Tate at [tate@csc.ncsu.edu](mailto:tate@csc.ncsu.edu). 

## New CSC Graduate Services Suite!

New this fall! - To better serve our 700+ graduate students, we are hiring a **Director of Graduate Career Services** and building a new **CSC Graduate Career Services Suite** in EB2 that will contain two high-tech interview rooms (with HD monitors and video capabilities to allow for remote interviews) and a drop-in office for the exclusive use of our industry partners. ePartners will have priority! More info to come in next few months.

## Other Recruiting Events Around Campus

ECE's unique networking and recruiting event is scheduled for **Sept 28, 5-8 pm in EB2**. To register, consult the [GO site](#).

The Fall COE Career Fair will be **Sept 29 & 30, 9:30 am - 4 pm** in the McKimmon Center. The Spring version will be held **Feb 3rd, 2016**. This is one of the largest career fairs in the country, and space fills quickly! Visit the [event site](#) for more information and/or to register.

## ePack Job Postings & Resume Book

The University Career Development Center's (CDC) ePack system is driven by Simplicity's NACELink Career Services Management System, and allows users and administrators to easily post jobs, find qualified candidates, manage recruiting visits and special events, and much more, while providing students with a single job source and resume database to maintain!

As a valued ePartner, we have worked closely with the CDC to provide you a number of exclusive and value-add recruiting benefits. For instance, **all ePartner postings on our CSC jobs board are color-coded and placed at the very top of the page** by default, something you can appreciate when you consider that this board regularly features more than 500 job postings.

Also, the CDC provides our ePartners an exclusive service within ePack in the form of a **pre-packaged ePartners Resume Book** populated with just CSC students! This electronic resume book can be downloaded as a spreadsheet and manipulated to meet your unique needs!

Contact Ken Tate ([tate@csc.ncsu.edu](mailto:tate@csc.ncsu.edu) / 919.513.4292) for more info.
